Vikram Malhotra

B.Tech in Electronics & Communication (ECE) — Thapar University

vikram.malhotra@thapar.edu | +91 98777 88990 | Patiala

CAREER OBJECTIVE

ECE graduate with foundational training in embedded C, microcontrollers, basic Python scripting, and digital electronics.

EDUCATION

B.Tech in Electronics & Communication Engineering (CGPA: 7.6/10), 2025

TECHNICAL SKILLS

C, C++, Python, Embedded Systems, IoT, Arduino, MATLAB, Circuit Design

ACADEMIC PROJECTS & INTERNSHIPS

Smart Home Automation with IoT

Engineered Arduino and Raspberry Pi sensor interface with wireless communication protocols.

MATLAB Signal Processing Filter

Implemented digital filtering algorithms for audio noise cancellation.
